A Newb's Opinions

Dear Virgin Territory,

I recently discovered *18eighteen* and wanted to let you guys know my likes, dislikes and some requests that I have. I'm a big fan of the schoolgirl look and hot cheerleader look. I also like seeing the girls wearing high-cut booty shorts and denim cut-offs, or coochie cutters, (example: Stacy of the April '15 issue). My favorite colors to see the girls in are white/sheer and pink (example: Charli and Sammy of the April '15 issue). Of course, thongs and lingerie are great, too. I like that you guys run a lot of photos with their girls actually looking at or into the camera. These are the best to me because it just adds to the seductiveness of the shot if it appears that they are staring right at the reader/viewer.

I prefer the girls with bigger boobies, say at least a B-cup. I'm

not a fan of the layouts with the guys or the XXX. Just doesn't do it for me like the ones that focus strictly on the lovely young girls. I don't care much for the flatties, unless they have a nice, juicy booty (like Charlie mentioned above). I'm not much for the girls with braces either. The girls I would like to see more of in future issues are: Paola Vega, Elle La Ware, Alexis Adams, Olivia Lovely, Alli Rae, Jenna Marie, Alyssa Branch, Stacy (April '15), Mandy (April '15), Charli (April '15), Teagan Summers and Foxy (Oct. '14).

Also, thanks for making your back issues so easy to acquire for someone like myself that wishes they had discovered this magazine years ago.—S. Baton Rouge, Louisiana

Dear S.,

Welcome to the 18eighteen family!
Thanks for writing in your likes and dis-
likes. You'll certainly find many school-

girls and cheerleaders around here, especially in the upcoming Oct. '15 issue, which is our Back to School special. We hope you'll stick around for a while.

Awesome Aubrey

Dear Virgin Territory,

I'm in love with Aubrey from March '15. Her covergirl photo got me right away. then I got to her photos inside the mag. She is a teen angel—young, gorgeous and so sweet. It doesn't take long for this babe to go from wearing clothes to nothing at all in her photo spread. Speaking of that, on page 26 it's awesome having her legs spread open with her sweet, little pussy showing. Her ass and cute teen tits are also nice parts to this young babe's body. I also like her long hair as well. I admit that as I'm writing this I'm loving another picture on page 21 where she's in her shirt and cute, little panties with her beautiful smiling face. It's like she's

posing just for me. She is a welcome addition to your magazine.—J.K., Green Bay, Wisconsin

Dear J.K.,

We love seeing Aubrey naked, but there's something about that polo shirt and tie that's incredibly sexy. She really knows how to make love to the camera, too. We hope you didn't

Open Up Feb. '15 And Follow Along

Dear Virgin Territory,

There are some issues and pictorials and pictures that

I never tire of. In the hope you will print more like them I will tell you which one they are. Your Feb. '15 issue is a classic I will keep close by always. I will never tire of page 86 or pretty girls lifting their skirt to show their panties front

and back. Awesome. Page 87, Linda fully dressed with the teacher's cock in her hands—fantastic. Page 88 and 89 have incredible pics of Linda fully dressed, squatting down with cock in mouth and on tongue. Love the pic of Linda bent over, panties around her thighs, cock in her pussy. Her classmates watching in the pic is pure genius. Page 89 would have been better if Linda's panties had still been around one knee or ankle or somewhere in the picture. Panties in the picture adds interest for me. Linda's classmates in the background make it so much more erotic. The only dud is on page 93 with Linda holding the teacher's cock while he has his two middle fingers in her pussy. His index finger hides the

hides the penetration, but the pic on the bottom right makes up for it. Use the index and middle finger more often for fingering.

Pages 12 and 13 with Ella fully dressed with teacher's cock in hand and sucking on the tip, and then the photos of her in her bra and skirt are very sexy. I would rather not have had the teacher undress. I loved the pics of Ava starting on page 18. She starts off fully dressed then pulls her top up and we see her panties front and back—those sexy, perfectly-fitting panties. Awesome. Then bent over, panties around her thighs and just a hint of her left breast. Then page 20, I love the three pics of her pussy, bum and breasts with panties at her thighs. Love her beautiful smile. On page 21 I love the pics of her bent over and the close-up of her spreading her pussy. On page 69 I love the sight of Alessandra head to toe front and back and in her bra. Page 70 and 71 are sexy as she strips down and how she has her bra over her head. Page 72—love seeing her topless in her panties with her legs spread, and the insert picture with the panties down is awesome. Love seeing her spread her delicious pussy. Keep up the good work.—F.H., Kitchener, Ontario, Canada

Dear F.H.,

Thanks for the feedback. Maybe some horny readers at home can read your letter with the Feb. '15 issue at hand for a shared experience. That's what we did!

Teen Snow Bunnies

Dear Virgin Territory,

I have some ideas about what I would like to see in your magazine. How about girls in a winter theme? Skiers, ice skaters, snow princesses, etc. In your hot summer issues it could be cool!

Cheerleaders, schoolgirls, babysitters, nurses are also great. I know you've had them in the past; that's why I'm mentioning them. Cute tops, short shorts, short skirts and dresses I like as well. I hope you like these ideas. I love your magazine as it provides me and others with young and beautiful teen girls.—J., Green Bay, Wisconsin

Dear J.,
A winter theme sounds fun. We'll keep it in mind for our photographers. Too bad it doesn't snow in Miami!

It's cold in Japan, but Mai could keep you warm with her body.

Takin' Sammy to Pound Town

Dear Virgin Territory,

Well isn't Sammy from your April '15 issue a sexy bird? She's one of those innocent-looking types who's still wide-eyed and fresh-faced. Won't she be in for a surprise when she gets fucked by a huge cock and covered in cum! She may not know exactly what to do with a cock, but it will know what to do with her. Can't wait to see it. For now I'm loving her

small, round, perky tits and that immaculate pussy. I wonder if this cute, little blonde has ever been properly fucked? In my mind, I like to imagine that she hasn't because there's nothing like taking a young babe to pound town for the first time. Her stats say that she's only 4'11"? That makes my cock hard because I love petite girls. They're easy to pick up and have fun with. Can't do that with a big bitch. Can't wait to see this little teeny get turned out.—F.D., via email

Dear F.D.,

Sammy did get taken for quite a ride on the bologna pony in our studio. You'll be seeing it soon! If you'd like to see her on video, check out the DVDs Flat & Fucked 8 and Bend 'Em! Bone 'Em!, both available for order on page nine.

Sweet Slut

Dear Virgin Territory,

Marissa from the April '15 issue is my flattie dream-come-true. I could just imagine my face right in her round ass in the bottom photo on page 31. Thank you for the photo on page 34 of her spread pussy. I love the contrast of her sweet looks but filthy mouth! Can't wait to see her get fucked.—R.S., Eugene, Oregon

Dear R.S.,

FLAT & fucked 8

The Youngest, Flattest
& Tightest Teens

MARISSA
MAE

There's a reason the *Flat & Fucked* series has made it to number eight. It's because first of all, you can't get enough of little tits. And second, we have the hottest and horniest babes who are rockin' itty bitties that can barely fill an A-cup. Isn't Marissa a flattie dream? She looks so cute getting stuffed with cock. And Halle is a total slut who loves to get fucked hard.

**HALLE
VON**

Sammy and Maddy are both shy blondes who slowly open up for the camera. Sammy is quiet and giggly at first, but turns into a moaning slut once her boyfriend's cock is inside her. At only 4'11", it's easy for her boyfriend to fuck her while holding her up in the air. After getting pounded in doggie-style Sammy gets a juicy load all over her face. As for Maddy, she may not be the deep-throating queen, but she still swallows this big dick until her eyes water. We appreciate the effort. So does the stud. He picks her up, plops her right on top of his cock and starts drilling away.

MARY

PRECOCIOUS PUSSY

For a teen girl, Mary is very in tune with her pussy.

As experts in the field of teen sex, we know that our girls love to fuck. But being as they're so new to sex, they don't always know how to maximize their pleasure. It does take experience to learn what your own personal cum combination is. Mary is an anomaly in that she already knows how to diddle her skittle to cream on her fingers or all over a cock. "I started masturbating early, so maybe that's why I already know what I like and how to cum. Or maybe I just have a really sensitive pussy."

HEIGHT: 5'5" **WEIGHT:** 116 lbs.
BRA SIZE: 34A **BORN:** Feb. 13
LIVES: Cleveland, Ohio

Do you always have an orgasm during sex?

"Yes, I'll usually have at least two. The only times I don't cum are if the guy and I don't have chemistry. Also, I can cum in just about every position, and I have both clitoral and vaginal orgasms. My only limitation is that I can only cum from going slow. Getting fucked hard is fun, but I can't orgasm from it."

What is the most orgasms you've had?

"There was this one guy I was really into, and once when we had sex I came at least 10 times. I had to stop soon after that 10th one because my pussy was getting sore. But the sex was so good that I swear I was wet for days after it happened."

MEGAN
FLATTYLICIOUS

There's no denying that Megan is sexy!

That face, that body, that buttohole...damn! Imagine being the one to pull down her pink sheer panties in these photos, slowly revealing her supple asscheeks and tight, little starfish. Heaven has never been so close. "When a guy pulls my panties down, I like to perk up my butt to let him know that I'm horny."

HEIGHT: 5'0" **WEIGHT:** 100 lbs.
BRA SIZE: 32A **BORN:** June 13
LIVES: Encino, California

We love your small chest, Megan.

"I think they suit my body, but sometimes I do feel a little insecure about them. Big tits are just so sexy. Of course guys are always quick to tell me that my chest is fine the way it is and reassure me by sucking on my nipples, so I guess I believe them. But I'd say my best asset is my ass. It's nice and round and firm."

**Everything
about you is
pretty, even
your pussy.**

"Thanks. I think my pussy is pretty, too. A lot of the time I'll sit in front of the mirror and look at it closely. I like to play with my lips and try to imagine what it's like to be a guy about to lick it."

School's Out! Sex Is In!

Oh, but for one more carefree
summer break—breaking in the
young ladies, that is.

BY PAULINE WORTH

Studious Slut

Susan had gone to the library to study. And she did, to be fair, for a couple of hours. But on a leg-stretching break the bespectacled, bookish college sophomore wandered into the fiction stacks and before long, got lost in them.

She calls herself a nerd, but any red-blooded man could see that term doesn't really get much past the glasses and lack of interest in makeup or glamour. She doesn't wear makeup, but what 19-year-old needs it, anyway? And her shiny brunette tresses are more often up in a ponytail or crushed under a thrift-store cap, but plainly, she's quite beautiful, with full lips and warm brown eyes to match her shy, lovely smile.

"Here it was, summer, and I was in the library," she told me over video chat, looking adorable in a tank and sweats; she'd only just woken up for

the early
appointment
we'd made. The

email she'd sent me about the spontaneous hook-up was so steamy it had fogged up my monitor; I knew the readership would want more details.

"It's not like I'd be out *Baywatch*'ing on the beach, anyway," she said, laughing. "But still, it was like my brain needed a break from the seriousness. I tend to read erotica that's a bit more...literate, but who doesn't like a trashy summer read? I sought out *Fifty Shades of Grey*,

plunked my butt down on one of those rubber-topped step-stools and skipped ahead to the hot parts!"

Before long, she said, she could feel herself getting hornier, wetter. "And of course, I was wearing yoga pants—like I'm going to wear heels and a gown to study?" She took a quick glance around and slid her hand inside, cupping her petite mound, feeling the small tuft of silky hair that guarded her tender slit, allowing her middle finger to part the lips and make contact with the wetness.

Reading on, gently, she began to rub, fingering herself there in the near-empty library.

"It was so quiet, I sort of forgot I was in a public place. I closed my eyes, sliding that finger up into my hole, biting my lip to keep silent. I sensed a shadow fall across my face, opened my eyes and gasped! It was Chad, this ridiculously cute sportsy-jock guy from my lit class. I yanked my hand out of my pants and felt my cheeks burn hot with embarrassment. He didn't look smug, though. Just interested."

"I can stand here if you want," he said softly. "I can block you and no one will see. I'll even turn my back if you'd prefer...."

Susan sat there, mouth agape. It was the last thing she expected him to say.

"He was standing so close to me I could smell whatever deodorant he was wearing. I figured he could probably smell my cunny on my fingers. Part of me was horrified, but my pussy was still buzzing. He must have taken my silence as something of a go-ahead, which in hindsight, I guess it was. He stepped closer, moving his face toward mine slowly in case he was wrong, in case I didn't want him to kiss me. But I did. And I let him."

As his tongue slid into her mouth,

Susan's legs part-
ed and wrapped
around his hips.

Susan's legs parted and wrapped around his hips. "I could feel his cock inside his warm-ups, long and hard and ready. I crushed my cunny against it, grinding. Who was I? The rapid girl from the book? I wasn't sure. I might have let him tie me to a bed right then if we were in a fancy hotel room. As it was, I was content to suck his cock in the library and pray we wouldn't get expelled."

After a long kiss, she slid to her knees. Looking up at him, dark, heavy-lashed eyes wide behind horn-rimmed specs, she slid his long, hard shaft into her hot, wet mouth. "He sighed and shuddered, which made my clit throb and my mouth fill with saliva. I slurped on him, getting sloppy and a bit loud. It made his cock harder against my tongue and I went faster and faster, squeezing the softness of his sack with my left hand, pumping his dick with my right, sliding the head over the surface of my slick palm...and I could feel him getting close."

At the last second before his tipping point, she stopped, standing and turning, jutting her small ass out as an invitation and tugging the yoga pants to just below her succulent rump. Chad wedged his fingers between her cheeks, sliding into the wetness there to find her tight, eager hole.

"He couldn't resist tossing my salad before jamming his cock inside; the sensation of his tongue on my rim is something I'm going to have to revisit in the future," Susan told me, licking her lips with the memory.

She braced her hands on the stacks and he pushed himself inside, hand reaching around her waist for support, the other sliding up the bookcase for leverage. She felt her own orgasm building alongside his and began to press back against him, tiny grunts escaping her lips, though she tried hard to bite them quiet.

His tongue and breath in her ear

finally set her off and with her shuddering, his spunk began pumping into her, filling her, fulfilling her. After a quick kiss, he raced off to the men's room for some paper towels. She thanked the universe for not getting caught, or knocking the shelves over like dominoes and killing someone.

Libraries were sexy, she decided. And, as the handsome jock returned with the clean-up supplies, so was Chad, she thought.

"Maybe we should study together some time," he said. "I may need help in human physiology."

She raised a delicate eyebrow at him. I can probably help you with that, she thought to herself. "I was thinking literature," she said. "Erotica, perhaps?"

More fun was likely to come.

The Sea Snake

A week or so before their planned week away, Annabella, 20, was at her best friend's house.

"I'm super-close with Lucy's family because I've known them since I was like nine," she said. "And her mom was talking with us about summer and how we were headed to the beach. She said

something about how if she could go back in time, she'd for-sure have worn more bikinis because she was so cute when she was 20."

"To be fair," Annabella added, "Lucy's mom is still pretty cute!"

But it got her thinking.

"I'm 20!" she giggled. And she does love to sport teeny bikinis at the beach. And it's no wonder: tiny little boobies, tiny little ass, ever so slightly curvy at the waist and ringlets of caramel-brown hair tumbling down her flawless back—she's a living mermaid—only with the good parts, not the tail.

And she's always had a bit of an exhibitionist fantasy.

"I love the idea of being a stripper," she said, "but I'd never do it. I'm too shy. The fantasy of dancing naked on stage is enough to get me off when I'm diddling myself in bed at night. But what if I wasn't the only one who was naked? Would that be doable? I'd heard that there was a nude-beach section where we were headed, and so I thought: if I can get the guts up, I'm going to do it! You know, while I'm 20 and cute!"

On the drive south, she shared her idea with Lucy.

"She's way ballsier than I am," Annabella admitted, "so she was all-in! Now, I'd committed and there was no way I could chicken out! The pressure was on."

They spent the first few days settling in and getting a base tan. With her beautiful, young olive skin, it didn't take long at all before Annabella was sun-kissed everywhere. Well, almost.

On Friday, their other friends wanted to get the party started early. After a leisurely breakfast, they headed to a local club on the beach to have fun and meet guys.

"We told them we just wanted to chill on the beach," she chuckled, "which technically wasn't a lie." They packed up and headed over to the parking lot of the clothing-optional beach.

"It would have taken me ages to

get the nerve up, but after we set up the blanket—I was lying on my belly with a magazine—Lucy stood up, pulled the string on her halter and let her lovely breasts free to enjoy the sun. They're quite full Bs—bigger than my little boobies—and they looked luscious all creamed and shiny with sunscreen. Also, I was just in awe of how brave she was. So lying there, I took my top off, too, and went back to reading."

Annabella was also doing a bit of gawking at all the body parts.

third wheel.

"And leg!" she laughed.

It was true. As the salt-and-pepper daddy on the next blanket shed his trunks, he apparently revealed another hiding beneath.

"I about died!" she admitted.

"Lucy and I had to get up and hit the waves because we couldn't stop staring at his dick, literally swinging in the breeze. As nonchalantly as I could, I stood up and took off my bottoms. I was naked! At the beach! Everyone could see my little bush! I needed to hide for a bit, so I

ately, before Annabella could think of what to say.

He approached them as casually as could be, massive trunk swinging naturally with his easy gait. Annabella felt her whole body heat up as she blushed. They were all wearing sunglasses; she was hoping no one noticed.

His name was Kevin. He was 46 and from Illinois (Annabella had guessed 40; he really had a nice body.) The other people were his friends and they'd gone for lunch.

Right away, it was clear he'd taken to Annabella and before long, Lucy took the hint, opting for some reconnaissance on a beach walk to give them time alone. Kevin asked Annabella if she'd like to dry off in the sun.

They went back to his blanket, which was buffered a bit by a sunshade, giving them a little bit of privacy but little shade—the sun was right overhead and its warmth, Annabella said, just made the whole thing sexier.

"The weird thing is that you get used to being naked pretty quickly," she noted. "But our mutual attraction just amped up the sexy vibe and almost as soon as we lay down, he asked if it would be okay to kiss me."

From there things got way-hot, way-fast.

"I was lying on the blanket and Kevin was next to me, kissing me, warm, rough, super-manly hands touching me, covering my hard nipples, pinching and teasing them, kissing and lightly biting them," she told me. "Every now and then I'd have the sensation of someone, or people, walking by, perhaps looking, but I'd just sort of put it out of my head. It felt like the beach was ours and we had complete privacy. And if we didn't, fuck it."

It was probably only seconds before she felt his massive hard-on against her hip.

"He apologized and moved back a little, explaining that it can be awkward to have a first-time make-out session that begins when you're already naked," she said, laughing.

"I stood up and took off my bottoms. I was naked!"

"You just can't help but look! You try not to be pervy about it!"

There are all these bodies—some great, some less so—but everyone's so relaxed and it seems pretty natural. Although from what we saw, we were absolutely the youngest people on the beach. About a half-hour later, three people set up a little beach zone just next to me."

Two were a couple, which became pretty clear when one of them, a man in his 40s, began rubbing tanning oil on his sexy, same-aged partner.

"She had a smoking hot body, like a fitness instructor or something." Their companion, another man about the same age, was a

walked straight to the ocean."

In the water, she and Lucy talked about very little else but that tremendous cock, watching it from a safe distance, wondering if it actually got bigger when it was hard or just grew stiff. Annabella would find out soon enough.

"He and the other guy were playing Frisbee! It was almost obscene, but also sexy. I felt my clitty tingling between my cunny lips."

Not long after, the couple took off for a walk on the beach, leaving "the elephant"—the pet-name they'd given him—by himself. He wasted no time waving to the girls, his only real neighbors in their spot on the sand.

"Hey, Ladies! Wanna play?" he said, waving the Frisbee.

"Sure!" Lucy shot back immedi-

SYDNEY

HOTTIE WITH A BODY

You look like an interesting girl to know, Sydney. Do you have any special talents?

"I do aerial arts, which is doing acrobatic things while hanging from silk fabrics or suspended hoops. It really keeps me toned and it looks super sexy, too. Other than that, I'd say I am a pro at giving blow jobs! I love oral in general—both giving and receiving, and I believe that you're good at the things you enjoy. My favorite way to suck cock is to go nice and slow, covering it with spit and using my hand and mouth at the same time with a firm grip."

HEIGHT: 5'2" **WEIGHT:** 105 lbs.
BRA SIZE: 32B **BORN:** Nov. 2
LIVES: San Francisco, California

Do you like to swallow cum?

"That depends entirely on what the guy tastes like. I will always take the load in my mouth, but if I'm not liking his taste too much I'll spit. If he tastes sweet then I love to gargle his load and swallow it with a smile. So remember guys, eat healthy so your cum tastes good!"

Have you ever hooked up with a girl?

"Yes, in a three-way. I ate her pussy and I can say for certain that I'm good at that too. I'm really passionate when it comes to my oral skills, and I love the feeling of someone cumming all in my mouth, whether it's a guy or a girl."

CHARLI
PUSSY POOL PARTY

Empty house and a cool pool on a hot day?

Perfect time and place to suck and fuck cock! When you're a teen with nowhere to go, you've got to take advantage of every opportunity to have sex. Charli's parents are out of town, and their house is fuckin' awesome. So that means she gets to skinny dip with her boyfriend in their fancy pool and blow him under the shade of a tree. Then they get to take it inside to fuck on her parents' couch.

HEIGHT: 5'2" **WEIGHT:** 115 lbs.
BRA SIZE: 34A **BORN:** Dec. 15
LIVES: Orlando, Florida

**No sneaking around,
no having to be quiet.**

Normally Charli has to sneak her boyfriend in through the window and not make a peep if she wants to fuck. But right now she's free to ride his cock and moan as loudly as she wants to in the middle of the living room.

Charli

Do you always fuck when you're home alone?

"Yes, like crazy. That's why it's my favorite thing when my parents go on their yearly summer vacation. The freedom is great. I can walk around naked and skinny dip in the pool. The best thing is that I can invite my boyfriend over to do these things with me. It's like I'm living on my own like an adult. We always end up getting kinky in the pool. Our swimsuits come off, and I'll usually suck his cock right there in the yard, hoping that maybe a neighbor is spying on us through the bushes. The idea of being watched turns me on. Then we always bring it inside to fuck on the couch or my parents' bed. If only my parents knew what a little slut their daughter really is!"

ELLA

DIRTY DOLLY

Ella's body is very explorable.

What a playground of white, creamy flesh this Brit beauty has! Her pale breasts are soft while her pink nipples are almost always hard—a most arousing juxtaposition. And we can't miss that ass. Her boyshort panties ride up into her crack, perfectly framing the roundness of her milky cheeks. "I have curves, but guys like that about me. They like to grab and squeeze all my juicy bits, and I like it, too. I'm not obsessed with being super skinny like a lot of other girls my age. I think I'm sexy, and I'm totally comfortable being naked in front of a guy."

Do you like to be manhandled a bit in the sack, or do you prefer gentle?

"A bit of both. I think most girls like a man who will be aggressive and show them just how much he wants them. And sometimes that means they just rip our clothes off and take us. That's hot. I also like it when a guy I'm into grabs my ass and is forward with public displays of affection. Spanking, being tossed around in bed and rough sex are fun too. But I also like it when a guy fucks me gently, or takes the time to give me an erotic massage. When a guy is slow and passionate and takes his time to turn me on it makes me so, so wet. I like a little bit of everything depending on the kind of mood I'm in."

HEIGHT: 5'4" **WEIGHT:** 120 lbs.
BRA SIZE: 34A **BORN:** June 13
LIVES: Lincolnshire, England

How often do you masturbate?

"I go through phases. I masturbate multiple times a day when I first start sleeping with someone and am super aroused all the time. I don't masturbate as much when I'm in a relationship, but will do it like a fiend if I haven't had sex in a while."

And I was fulfilling that little fantasy of maybe even being seen. Feeling the breeze and the sun on us while we fucked would be the icing on the cake."

With his hands on top of hers, holding them to the warmth of the sand, he rolled on top of her. She felt the soft sensation of his heavy balls on the backs of her thighs and the head of his cock, slick already with precum, in the crack of her ass.

Parting her legs, she allowed him to maneuver himself to her slick, sugary opening. He asked again if it was okay and she answered with a soft moan, pressing her hips and the wet-

Piper has many attractive features.

This brace-face teen is cute from head to toe, but the part of her we like the most is definitely her pussy. Just look at it! It's perfectly hairless and looks so soft. Her outer lips puff up into a clam when she's standing straight up. And when she spreads her legs, her delicate clit and small inner labia form a delicious, tight slit perfect for munching on.

Have you been told you have a nice pussy?

"Yes, guys have said that to me before. They tell me I have a pretty pussy. And I guess they like the way it tastes too because they always stick their tongues deep in my hole, which really drives me nuts and makes me grind on their faces."

In March '15 you told us how a security guard got hard for your flat chest. Have you turned anyone else on with your itty bitties?

"This one guy I had sex with was all about my flat chest. He couldn't keep his hands or mouth off my boobs, and he even rubbed the tip of his cock on my nipples. I swear, his dick was the hardest I've ever seen or felt, so he must've been super turned on! And he really fucked me hard, too. I was sore for days afterwards. He blew the biggest load of jizz all over my tits, too."

How did that make you feel?

"Um, awesome! Who doesn't like it when a guy is super attracted to them? He kept telling me how much he liked my body. I got wet just from him sucking on my tits. And the sex was amazing, so no complaints here. His cock wasn't the biggest I've ever had, but he still rocked my world and made me leave a wet spot on his sheets. If you know any other flattie lovers, send them my way!"

INCREASE YOUR PENIS SIZE

HOW IT WORKS

- This is not a penis pump. This is not a sex toy. The Bathmate uses hydraulic pressure to expand the blood vessels and tissue in the penis. With a thorough regimen of daily use, results gained will continue to develop.
- Water creates a far more powerful vacuum than air, which in turn leads to greater power to increase penis size and to exercise the penis. Warm water develops blood flow while cushioning and lubricating the penis as it expands to fill the tube.
- Temporary gains in length, girth, erectile strength and stamina will occur after first use. These results may range from 0.25" to 1.00" in girth. Length will vary with participant, but all gains improve with time.

Finally, penis enlargement that really works!

ness of her crack against that thick, throbbing python.

At once, he slid inside—slowly, cautiously, but deliberately—stretching her tunnel to beyond full.

"He was careful," she noted. "And I'm pretty sure he couldn't fit all of it inside. But whatever went in, I could feel way up in my belly, and it was fucking outstanding. He went a bit faster as we fell into a rhythm, whispering in my ear, asking if I liked getting fucked by him, and it drove me on. I was pistoning against him by the end, trying to take it all in, already envisioning licking his shaft clean after he came."

She didn't have to. As he got close, he whipped it out and rolled her over—wanting her to see him jerk the last of it as it spilled all over her lovely, sand-dusted breasts, covering her dark, hard nips like icing on cupcakes.

"A little got on my lips," she said. "I looked him in the eyes like a horny slut as I licked it off."

It turned out that if anyone had been watching, they were gone by the time they finished.

"And that was nice, being alone, walking back to the ocean to clean off—which is now officially my favorite way to clean up after sex!"

Annabella concedes the experience has changed her—and for the better.

"Also, I may have to move to a beach town after graduation."

Mouth-to-Mouth

Being a lifeguard, of course, is no laughing matter. And Jenny takes her job seriously, most of the time. It's been her summer-break job since she was a teenager, working her way up from her days at camp to her current gig—head lifeguard at her neighborhood's public swimming pool.

"Being a lifeguard—usually more the beach variety—is totally overglamorized," she wrote in her letter. "Occasionally—and you hope you never have to—you actually save someone's life."

At 19, Jenny's only had to pull a severely endangered swimmer from the pool once. This summer was the

LIVES: London, England

What's up with that bush, Anissa?

"I like the way it looks on me. And since sooo many girls shave, wax and laser their pubes off, I feel like having a little bush makes me unique. Kinda funny that just being my natural self is something that would make me unique, huh?"

Before you fool around with a guy do you let him know you have pubes?

"Not always. I talk pretty openly about sex so sometimes it will casually come up in conversation beforehand, but I don't feel that I should have to warn guys that I have a bush. If they can't handle a girl with pubes then I don't think I want to hook up with them. Fortunately I've gotten a positive response about my bush from all the guys I've had sex with."

What do they tell you about your pubes?

"They tell me they like my pussy fuzzy and that it's sexy and soft. They like to nuzzle their face in it and eat me out for what seems like hours. I've even converted some bald lovers into bush lovers before."

second time.

"But it turned out to be a totally false alarm," the tall, all-American brunette joked.

Rob was a new guy at the community center that summer. He was tall and athletic, sarcastic and witty, Jenny explained. He was always making people laugh with a cheery attitude from his post at the front desk, which he managed. He was in his early thirties and a total catch.

And it was clear he had an eye for Jenny from the time he started.

"He was always throwing funny, flirty lines my way if I happened to be walking through," she said. "But I have strict a no-dating-at-work policy," she continued, "and it's a good one. Saves you from drama and nonsense. Keeps work fun and light. I admit, though, I enjoyed the attention. Rob was totally my type and I liked that even though he was playful, he was more of a man than the mostly high-school and college kids who are there in the summer."

Rob has asked Jenny out formally, in fact. "More than a few times," she said. "It was hard to resist—and I even told him that—but I was going to stick to my guns. He said he'd wait until September, but the thing is: I go to school out of state. So I was going to be leaving. There was no point in starting something, anyway."

And she left it at that.

By late August, it seemed, she and Rob were friendly and nothing more. "He gave up and even though I missed flirting a little, I realized it was for the best."

But one night, after the center had closed, the unthinkable happened.

"I came outside to straighten the chairs and put away equipment as always and there was a man floating face-down in the pool!"

Her heart raced and she dove in, slicing the water knife-like and was on him, rolling him over, hoping he'd breathe, stomach knotted with adrenaline. Double-knotted when she saw with horror that it was Rob.

"Except that a second later his lips split into a smile and he winked."

Jenny was pissed, shoving him away and about to leave, but Rob

grabbed her arm and pulled her close in at the corner of the shallow end.

"Hey, hey, come back here, I'm sorry. I know, this was stupid but you're leaving next week and I..."

He trailed off.

"And his face, his eyes, I don't know...I was so scared when I thought he was drowning and then I could see that he was really feeling something and that was it. We just kissed. Hotly. And it was on."

It was close to 10 p.m. No one else was around. They tore at one another's clothing and were at it against the side of the pool. Rob placed Jenny up on the side, parting her legs, diving in to eat her delectable pussy, spreading it wide with his thumbs, kissing, licking, smelling, tasting.

"His tongue and lips were everywhere—and all the best places twice. I dug my fingers into his wavy hair and pressed his mouth to my cunny, cumming in shudders in just a minute or two. And moments later, we moved out a bit into the water for balance and his hands were cupping my ass, my legs were around his waist and we were fucking right there in the pool—he was standing and holding me and bouncing me up and down on his cock. We were looking right into each other's eyes, grunting, kissing, sucking on each other's tongues."

It was, she said, crazy-hot and crazy-emotional.

"I could have almost cried and I'm not sure why—maybe 'cause the whole thing had started with the idea that he was hurt. Maybe I liked him more than I'd thought. Maybe the angle of his thrusts were hitting me in places I'd never felt before." She paused and smiled. "Okay, definitely that. It was the best sex ever."

They moved to the pool stairs edge of the pool and did missionary, the water giving them a weightless, in-space sensation that allowed for positions impossible if they were in a bed.

"I held him to me with my legs so he couldn't float away," she said, "but his weight wasn't on me. I was able to easily slide a hand down and pull on my clit, rubbing it, so that when he came—right inside me—I was able to cum, too. We kissed. I was done for."

The pair went back to his place that night. They've been dating since. He comes up to school every weekend.

"Sometimes," she said, "you have to break your own rules."

ALICE

NERDGASM

HEIGHT: 5'3" **WEIGHT:** 105 lbs.
BRA SIZE: 34A **BORN:** March 31
LIVES: Orange County, California

Nerds are some of the biggest sluts you'll ever meet!

It might seem counterintuitive that nerdy chicks crave cock as much as their sluttier, more popular peers. Shouldn't they be more preoccupied with studying and getting good grades? Well, they are. But that doesn't mean their libidos just turn off. Geeky girls want sex too. And now that being a nerd is actually considered kind of cool, nerdy chicks are getting more dick than ever. Good thing for Alice, because not only does she want her pussy fucked. She wants her asshole reamed, too!

How long have you been into anal?

"For just a little while now. This one jock I was tutoring totally turned me out. I mean, I always liked sex, but I never thought to do it in the butt. Well, he and I started fooling around, and he put a finger in my ass. The deeper it went, the better it felt. So I told him I was ready for anal, and wow! I came so fucking hard I didn't know if I wanted to laugh or cry."

**So now
are you
doing anal
all the
time?**

"I don't do it all the time because I don't want it to become just another ordinary thing. It feels so good that I only want to save it for special occasions or for when I'm super crazy horny. In this case, this guy had a nice, thick cock that I really wanted to feel in my butt. He barely got two pumps into my pussy before I was begging him to put it in my ass. I'm glad I did 'cause he filled me up so fuckin' good!"
